DIVISION OF  
OIL GAS & MINING

Dear Jerry,

In line with our meeting on 3/11, please find enclosed our check for \$25.00, transfer of Notice of Intention, and a mining plan - report so that we can proceed with the transfer of Utah Mineral Lease #43106.

I will contact you as soon as the area dries out in April so that we can meet with Tony Gallegos and Dan Washington of the B.L.M. at the site. As mentioned I would like to show you our Turquoise Stone Quarry in Park Valley. If you have any questions please give me a call.

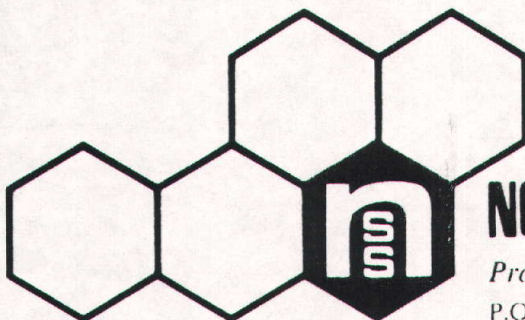

Sincerely,

Gary Mullard  
President
